OFFICE OF PETITIONS

In re Application of	:	
Goldenberg et al.	:	
Application No. 09/728,534	:	ON PETITION
Filed: November 28, 2000	:	
Attorney Docket No. A-576C	:	

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed July 12, 2004, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned as a result of petitioner's failure to file an appeal brief (and fee required by 37 CFR 1.17(c)) within the time period provided in 37 CFR 1.192(a). As an appeal brief (and appeal brief fee) was not filed within two (2) months of the Notice of Appeal filed September 5, 2003, and no extensions of time under the provisions of 37 CFR 1.136(b) were obtained, the appeal was dismissed and the proceedings as to the rejected claims were terminated. See 37 CFR 1.192(b) & 1.197(c). As no claim was allowed, the above-identified application became abandoned on November 6, 2003. See MPEP 1215.04. A Notice of Abandonment was mailed on April 24, 2004.

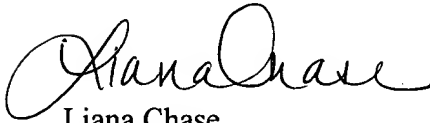

Petitioner has met the requirements to revive the above-identified application pursuant to 37 CFR 1.137(b).

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed solely to the address currently of record until such time as appropriate instructions are received to the contrary.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must notify the Office.

This matter is now being forwarded to Technology Center 1600 for processing of the Request for Continued Examination under 37 CFR 1.114 filed with the instant petition.

Telephone inquiries should be directed to the undersigned at (703) 306-0482. Any telephone inquiries after approximately **September 24, 2004** should be directed to the undersigned at (571) 272-3282.
